Baby, life's what you make it
Can't escape it
Baby, yesterday's favourite
Don't you hate it

Jesus loves all life
Life's what you make it
Jesus loves all life

Baby, life's what you make it
Don't back date it
Baby, don't try to shade it
Beauty is naked

Everything's all right
Life's what you make it
Everything's all right
Life's what you make it

Baby, life's what you make it
Celebrate it
Anticipate it
Yesterday's faded
Nothing can change it
Life's what you make it

Everything's all right
Life's what you make it
Everything's all right
Life's what you make it

Everything's all right
Yeah yeah
Everything's all right
[incomprehensible]
Everything's all right
Life's what you make it
