(Mark Hollis / Simon Brenner / Paul Webb / Lee Harris)

Cover me with shades of disbelief  
Can happiness be someone's else's grief  
Numbers, colours to spell my name  
Move about as values change  
Catch me if you can but don't delay  
Today Today  
It's a dream aw  
ay  
Today Today  
Governed by the title on the wall  
Commit me to a life within a fool  
Happiness can often bleed  
Beggars lay among the sheep  
Let me take the choice the sermon pleads

Today Today  
It's a dream away  
Today Today  
A dream away  
Visions in my cell begin to breed  
Was everything a fact of what I'd read  
Excuse me while I spell my name  
Boat and ship could sound the same  
Catch me if you can but don't delay  
Today Today  
It's a dream away  
Today Today  
A dream away  
Belle Malissima  
Today Toda  
y  
It's a dream away  
Today Today  
A dream away
