"Bad Desire"

Visit "[Bad Desire](#)" on MotoLyrics.com

I'll wake up tomorrow without taking a little chance
I'll leave all my sorrow and send out an S.O.S.
If you could retreat girl, I can lose control
To be I believed your way, baby
You are too wrong

* Bad Desire
You know my heart on fire
Oh-Bad Desire
Baby no, I don't want you, no

I don't need no diamond
I don't need and you cry
You have broken all my dreams
You can't change my mind

* Repeat

Leave me
Baby you are getting out of my heart
Leave me
Baby you are getting out

* Repeat
