There are times that I should go away
to think of you and I
For it isn't only now , I need your love
All of my life , all of my life
In the night time when I lie awake
and think of you in my heart
For it isn't only now , I need your love
All of my life , all of my life
Oh wouldn't you believe me if I told you
that I love you , and I do
Ev'ryone believes me when I tell them
Why don't you , why don't you
When I think of things that ought to be
and I feel your hand in mine
Yes it isn't only now , I need your love
All of my life , all of my life
La.....
All of my life , all of my life
Oh wouldn't you believe if I told you
that I love you , and I do
Ev'ryone believes me when I tell them

Why don't you , why don't you

When I think of things that ought to be

and I feel your hand in mine

Yes it isn't only now , I need your love

All of my life , all of my life

All of my life

All of my life

All of my life
