"Alone Again"

Leaving' that's all you ever seem to say and I'm tired

The wants you have me for have expired

Sleeping and reading ev'ry book I can find to get my
mind off

In all I was a soul you were using

I am alone again

You can't believe the tears that I've shed

I'm on a bound down train

Don't desert me now or I am dead

People , the sun is going down on your heads so read
your paper

There's no one there for you to confide in

It's instinct to always to have a shoulder to cry on

And to rely on

Someone there to share and to shine on

I am alone again

You can't believe the tears that I've shed

I'm on a bound down train

Don't desert me now or I am dead

I am alone again

You can't believe the tears that I've shed

I'm on a bound down train

Don't desert me down or I am dead

repeat last verse and fade
