Ooh ooh ooh

When you wait and you watch

And you're wishing for something wild

I figure I can please you someday someway

I figure I can put your love on trial

I'm taking you back to school

Talk about making it something real

Nobody could deny you anything

(CHORUS)

You know I'd do anything

Anything for you

You know I'd do anything

Anything for you

You know I'd do anything

Anything for you

You know I'd do anything

Anything for you

You you you

You can run with the fun

You can tickle my nerves inside

In the face of heartbreak, heartache

It's gonna be a magic carpet ride

Better we make it soon

Let it be the one that make you

Cry for more

Anyone else would buy you anything

I'd do anything

(CHORUS)

I'd do anything

I'd do anything

I'd do anything

I'd do anything

(CHORUS)

I'd do anything

I'd do anything

I'd do anything

I'd do anything
