Barker sing me a song

Instead of counting trees,

collecting aeroplane numbers now, Mr Barker

Live it up, shine my shoes

Fly me to the moon ,

never before have I seen the light, Mr Barker

Then the moment of depression fell around , Mr Barker

And the changes of expression to a frown, My friend  
Barker

There must be something there

Shiner of the light, we demand we are here, Mr Barker

Then the moment of depression fell around , Mr Barker

And the changes of expression to a frown ,my friend  
Barker

There must be something there

Shiner of the light , we demand we are here , Mr Barker

Barker sing me a song

Instead of counting trees,

collecting aeroplane numbers now, Mr Barker

Live it up, shine my shoes

Fly me to the moon ,

never before have I seen the light

Barker sing me a song

Instead of counting trees,

collecting aeroplane numbers now , Mr Barker

Live it up , shine my shoes

Fly me to the moon,

never before have I seen the light (fade out )
