Boogie - ah, you sexy, sexy (boogie child)

Boogie - the situation wrecks me

Boogie - I can't stand the way you do it (boogie child)

Boogie - bad girl don't put me through it

Boogie - right to the limit (boogie child)

Boogie - you're a bad girl you got me in it

Boogie - a man could die for the way I'm thinking  
(boogie child)

Boogie - and I'm in too deep and I just keep sinking

When you move it like you really know how to move me

I follow you wherever you go

I just wanna lay my love on you -- that boogie child she  
can

Boogie - oh, you sexy, sexy (boogie child)

Boogie - the situation wrecks me

Boogie - I can't stand the way you do it (boogie child)

Boogie - bad girl don't put me through it (come on  
boogie, boogie)

Oh, boogie child, she's honey-sweet

She got a hungry love, it's good enough to eat

You can't touch her cos you know she's mine

Come on boogie child let your love-light shine

I just wanna lay my love on you -- that boogie child she  
can

Boogie - ah, you sexy, sexy (boogie child)

Boogie - the situation wrecks me

Boogie - I can't stand the way you do it (boogie child)

Boogie - bad girl don't put me through it

You can't touch her cos you know she's mine

Come on boogie child let your love light shine

I just wanna lay my love on you - that boogie child she  
can

Boogie - oh, you sexy, sexy (boogie child)

Boogie - the situation wrecks me

Boogie - I can't stand the way you do it (boogie child)

Boogie - bad girl don't put me through it

Boogie - oh, right to the limit

Boogie - bad girl you got me in it (come on boogie,  
boogie)

Boogie - a man should die for the way I'm

For the way I'm thinking (boogie child)

Boogie - and I'm in too deep and I just keep sinking

Boogie - boogie child (come on boogie, boogie)

Boogie - boogie child (come on boogie, boogie)

Repeat to fade
