Now if the aim in your life is to settle me down

I couldn't change my point of view

I got a lady in red at the back of my head

But the women in white is you

Do you wanna be the only one

Fade away in the morning sun

I could love you all of my life

You are my wife

Haven't I let you know

We don't need no buried treasure

No buried treasure - we don't need it

We don't stand on ceremony

I love you only - I'm proud of it

You can never be all you wanna be

When you're living for gold

We don't need no buried treasure

I still got you

I still go you in my soul

Well it's a long way down and you gotta get up

You got to figure on a master plan

You couldn't do it if you don't get ready

When you're beaten by the other man  
Do you wanna be the last one in  
Play the game that you just don't win  
I can see me making you cry  
Saying goodbye  
But I could never let you go  
We don't need no buried treasure  
No buried treasure - we don't need it  
We don't stand on ceremony  
I love you only - I'm proud of it  
You can never be all you wanna be  
When you're living for gold  
We don't need no buried treasure  
I still got you  
I still got you in my soul  
Well you're taking my life in the palm of your hand  
Make you mine for another day  
Ain't nobody doesn't need anybody  
When the good times turn away  
I don't wanna be the lonely one  
Fade away in the evening sun  
I could love you all of my life  
You are my wife  
Haven't I told you so  
We don't need no buried treasure

No, buried treasure - we don't need it

We don't stand on ceremony

I love you only - I'm proud of it

You can never be all you wanna be

When you're living for gold

We don't need no buried treasure

I still got you

I still got you in my soul
