Where are you

Cherry red , sweeter than the honeycomb

Sweeter still when we're alone

Cherry red , my cherry red

Turquoise green , greener than the deeper sea

Greener still when she's with me

Cherry red , my cherry red

I wonder why (wonder why)

The stars that night shine big and bright for me

I wonder why (wonder why)

She's true to me the way that she will always be

Cherry red , sweeter than the honeycomb

Sweeter still when we're alone

Cherry red , my cherry red

I wonder why (wonder why)

The stars that night shine big and bright for me

I wonder why (wonder why)

She's true to me the way that she will always be

Cherry red , sweeter than the honeycomb

Sweeter still when we're alone

Cherry red , my cherry red
