I'd like to be the one to see your loving mind at the start

But I get claustrophobia 'cause there's too many boys  
in your heart

I'd like to know how far you'd go to use those lips of  
wine

But I get claustrophobia 'cause there's too many boys  
on your mind

Oh, one ,two, three and now there's me

You practice to deceive

You lead me on , another one

I've got no room to breathe

So byebye you who can't be true ,I'm leaving you  
behind

'Cause I get claustrophobia 'cause there's too many  
boys on your mind

(break)

I get claustrophobia 'cause there's too many boys on  
your mind

Oh, one, two, three and now there's me

You practice to deceive

You lead me on , another one

I've got no room to breathe

So byebye you who can't be true , I'm leaving you  
behind

'Cause I get claustrophobia 'cause there's too many  
boys on your mind

Too many boys on your mind

Too many boys on your mind
