I don't need anybody . I don't need anyone.

Take it nice and easy mama , chicken on the run and I don't care.

I'd show my body anywhere.

Ain't no big city winner's gonna pass my buck anywhere.

Ain't no four leaf clover's gonna settle my luck and I don't care.

Go down to the courthouse and I've been on display.

Don't you think that I don't know

it ain't been a perfect day , but I don't care.

I'd sell my body anywhere.

In the name of creation , I can't find an explanation anywhere.

Ain't no easy rider gonna settle my luck and I don't care

Down , down the road , up the road

Down , down the road , up the road

Been rejuvenated to the highest degree.

Ain't no words describing what this feeling's done to me and I don't care.

I'd show my feelings anywhere.

Ain't no heavy Mister Leather's gonna paddle my butt anywhere

Ain't no four leaf clover's gonna settle my luck and I
don't care.

Down , down the road , up the road

Down , down the road , up the road

(break)

Down, down the road , up the road (sing 5 times)
