There's gonna be a party goin' on

We'll meet you at the station

You know the race has just begun

If you don't know that I was born to hold you

Then I'm gonna tell ya loud and clear 'Baby I love ya'

Ev'ry second, ev'ry minute, ev'ry hour, ev'ry day of
ev'ry year. Now

We're gonna climb a mountain

No one is gonna stop me now

My love is like a fountain

I'll take your hand and show you how

If you don't think that I was born to hold you

Then I'm gonna shout it loud and clear ' Baby I love ya'

Ev'ry second, ev'ry minute, ev'ry hour, ev'ry day of ev'ry
year
