Ah.....

It's not the way you say to me , I'll wave goodbye

It's not the search to try to say the tears you'll cry

Because I am crying too for the thought of leaving you

You have to give me a smile as leave you treasure

Do it in style and believe in yourself

'Cause while I'm away I will stay firm beside you

And then I will go with the thought that you tried not to  
break

You mean heaven to me and when I return to thee

we'll see our own love

You may not know but I do miss you earnestly

Of all the moments in our time, there's none like this

And ev'ry day when our lips met , there's none so bliss

For when I say sweet c'est la vie ,

I laugh and leave with tears on me

You better give me a smile as I leave you Heather,

Treasure yourself and find time for no else

For while I'm away I will stay firm beside you

And then I will leave with the thought that you tried not  
to cry

Ah...
