"Greatest Man In The World"

Before I heard your voice I never heard a sound like
that before

I wanna hear it more and more

Take me to heaven

My love is stronger than the wall

I'll climb it till I fell so I can hear you call your love

I'd be the greatest man in the world

'cause I can say I got the greatest girl

I'd be the greatest man in the world

'cause I can say I got the greatest girl

Before I saw your face I never say a dream like that
before

I wanna see it more and more

Take me to heaven

My love is stronger than the wall

I'll climb it till I fall so I can hear you call your love

Be the greatest man in the world

'cause I can say I've got the greatest girl

Be the greatest man in the world

'cause I can say I got the greatest girl, the greatest girl

Be the greatest man in the world (repeat line and fade
out
