I know that you want a man
to love you like no other can
Here I am , here I am

I know that you want a boy
to fill your lonely heart with joy
Here I am , here I am

I'm gonna prove that my love was made for only you
If you don't believe me , watch and you'll see me
make you love me too

I know that you want a boy
to fill your lonely heart with joy
Here I am , here I am

(break)

Here I am , here I am

(break)

Here I am , here I am

I'm gonna prove that my love was made for only you
If you don't believe me , watch and you'll see me
make you love me too

I know that you want a boy
to fill your lonely heart with joy

Here I am , here I am

Here I am , here I am
