I walk the lonely streets; I watch the people passing by.  
I used to smile and say hello. Guess I was just a happy  
guy.

Then you happened ,girl, this feeling that posesesses  
me.

I just can't move myself. I guess it all just had to be.

I can't see nobody...no, I can't see nobody.  
Mine eyes can only look at you...you.

I used to have a brain; I used to think of many things.  
I watched the falling rain and listened to the sweet  
birds sing.

Don't ask me why, little girl. I love you and that's all I  
can say.

You're ev'ry ,ev'ry breath I take.You are my nights; my  
night and day.

I can't see nobody...no, I can't see nobody.  
Mine eyes can only look at you...you.

Every single word you hear...is coming from this heart  
of mine.

I never felt like this before...a love like yours so young  
and fine.

And now as I try to forget you...it doesn't work out any  
way.

I loved you such a long time ago...but in my eyes you'll  
always be.

Every single word you hear...is coming from this heart  
of mine.

I loved you such a long time ago...don't know why...  
And I don't know why...baby...

I can't see nobody...no, I can't see nobody.  
Mine eyes can only look at you...you.

I can't see nobody...no, I can't see nobody.  
Mine eyes can only look at you...you
