For so long  
You and me been finding each other for so long  
And the feeling that I feel for you is more then strong ,  
girl  
Take it from me  
If you give a little more then you're asking for  
your love will turn the key  
Darling mine  
I would wait forever for those lips of wine  
Build my world around you , darling  
This love will shine girl  
Watch it and see  
If you give a little more then you're asking for  
your love will turn the key

I , I just want to be your ev'rything  
Open up the heaven in your heart and let me be  
the things you are to me and not some puppet on a  
string  
Oh , if I stay here without you , darling , I will die  
I want you laying in the love I have to bring  
I'd do anything to be your ev'rything

Darling for so long  
You and me been finding each other for so long  
And the feeling that I feel for you is more then strong  
girl  
Take it from me  
If you give a little more then you're asking for  
your love will turn the key

I , I just want to be your ev'rything  
Open up the heaven in your heart and let me be  
the things you are to me and not some puppet on a  
string  
Oh, if I stay here without you , darling , I will die  
I want you laying in the love I have to bring  
I'd do anything to be your ev'rything  
(repeat and fade
