Oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh  
I should have stayed in bed  
I didn't think it'd be this way  
I didn't know you'd be walkin'past my house today  
I should have stayed in bed,instead of fallin' for you  
Heaven only knows what your lovin' will do

Woe is me , I should have realized  
what your love could do to me now  
I should have stayed beneath the  
blankets and sheets and maybe we couldn't be

I should have stayed in bed instead of fallin' in love  
I didn't know what this heart of mine was thinkin' of  
oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh

oh(break)

Woe is me ,I should have realized  
what your love could do to me now  
I should have stayed beneath the  
blankets and sheets and maybe we wouldn't be

I should have stayed in bed instead of fallin' in love  
I didn't know what this heart of mine was thinkin' of  
Oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh,oh
