So this is who i am,  
And this is all i know,  
And i must just live,  
for all that i can give,  
the spark that makes the power grow.  
And i will stand for my dream if i can  
A symbol of my faith in who i am,  
But you are my only,  
And i will follow on the road that lies ahead,  
And i wont let my heart control my head  
But u are you my only,

We dont say goodbye,  
We dont say goodbye,  
And i know what i've got to be

[Chorus]  
Immortality,  
i make my journey through eternity  
i keep the memory of you and me inside

Forfill your destiny  
It's there within the child  
My storm will never end  
My fate is on the wind,  
The king of the hearts, the jokers world.

We Dont say goodbye,  
We dont say goodbye,  
I make them all remember me

Cause i have found a dream that must come true,  
ever ounce of me must see it through  
But you are my only,  
Im sorry i dont have a role in love to play  
Hand over my heart, i'll find my way  
And i will make them give to me

[Chorus]  
Immortality,  
There is a vision and a fire in me,

I'll keep the memory of you and me inside

We don't say goodbye  
We don't say goodbye  
With all my love for you  
And whatever else we may do

We don't say goodbye
