It's just the way that I feel about tomorrow.  
I'll be sad and alone all the time.  
It's just the way that you said you don't love me  
anymore then 'Goodbye'  
I can't believe what you're saying.  
You don't love me anymore 'Goodbye' .

Just the way that I feel about tomorrow.  
Knowing you won't be there by my side.  
I wish that I could say to you; well, can't we just be good  
friends?  
Would you leave the door open, let me walk in again ?

That's the way I been thinking 'bout tomorrow.  
I only know that friends can't be lovers again
