"Lonely Days"

Good morning mister sunshine, you brighten up my
day.

Come sit beside me in your way.

I see you every morning, outside the restaurants,
The music plays so nonchalant.

Lonely days, lonely nights. Where would I be without
my woman?

Lonely days, lonely nights. Where would I be without
my woman?

Good morning mister sunshing, you brighten up my
day.

Come sit beside me in your way.

Lonely days, lonely nights. Where would I be without
my woman?

Lonely days, lonely nights. Where would I be without
my woman?
