I started a song as I walked down Maypole Mews
She lives down there
She can't refuse to hearing my song
I started a song as I walked down Maypole Mews
She lives down there
She can't refuse to hearing my song

Maypole Mews , wish I could see her
The memories me and she could share
But I'm too shy to wish her good morning
But then I don't mind , she's always there

I started a song as I walked down Maypole Mews
She lives down there
She can't refuse to hearing my song

One thing I know that I can be sure of
You're giving me your love , you're just the same
One thing , I know we don't know each other
I look at your window and stand in the rain , so

I started a song as I walked down Maypole Mews
She lives down there
She can't refuse to hearing my song
I started a song as I walked down Maypole Mews
She lives down there
She can't refuse to hearing my song
