Middle of the Night

-----

by Jimmy Buffett, Will Jennings, Art Neville and Michael Utley

Chorus 1:

Middle of the night  
Hold on till morning  
We will see the light  
Love is spawning  
Middle of the night  
Hold on forever  
We will get it right  
All together

When will we listen  
When will we ever learn  
Read all about it  
This tide has got to turn

Chorus 1:

Old folks and babys  
Crying in the storm  
I try to tell them  
Soon they'll be safe and warm

Chorus 1:

Bridge:  
Lord let us out of this hall full of mirrors  
Make it all clearer  
Don't let it fall

In the middle of the night

Chorus 2:

Middle of the night  
New voices calling  
Saying it's alright  
I'm not falling  
Middle of the night  
Halfway till morning  
Middle of my life  
New days dawning

Chorus 1:

Chorus 2:
