Burning embers.  
I still remember all of those little things.  
But I don't feel it so much 'cause I am so out of touch  
with my heart and it won't sing.  
Rusty rainbows.  
That's how the pain goes , turning me inside out .  
Well , I come home at night and you are out of my  
sight.  
Yes. I'm dying and there ain't no doubt.  
Well, I'm dying and there's no way out.

Well I try try try try try  
Mr. Natural (come on baby)  
When I walk in the rain you won't know that I'm crying.  
A smile on my face and I'm trying.  
I'm trying to understand that a love that is lost can  
never be found again.  
And you see me dance , I look like a happy man .

Just when I think I'm getting it over, an old friend I  
should see.  
He said he knew you well , and baby I could tell .  
You know he knew you more then me.  
I went home laughing and inside I'm crying .  
We had a special thing .  
You know I loved you so much , but girl I'm so out of  
touch  
with my heart and it won't sing .  
You know my heart just won't sing.

Well I try try try try try .  
Mr. Natural ( come on baby)  
When I walk in the rain you won't know that I'm crying.  
A smile on my face and I'm trying.  
I'm trying to understand that a love that is lost can  
never be found again.  
And you see me dance , I look like a happy man.

Still I try try try try try .  
Mr. Natural ( come on baby)  
Well I try try try try try

Mr. Natural (come on baby)  
(repeat verse and fade out
