In my mind , talk about Rebecca , suddenly so fine
In my mind , visions of Rebecca , suddenly she's mine
All night , seems she put a spell on me , oh yeah
All night , gonna be the death of me
I'll go out and get her
Rebecca , you're dreamin' out loud
Rebecca , you got your head in the clouds
You're savin' yourself for someone , Rebecca

Hangin' on tight , waiting for Rebecca , dancin' in the
dark
Satin and lace , she's so fine and mellow
Creature from the stars
So wrong , runnin' with Rebecca now , oh yeah
So wrong , gonna be the death of me
I'll go out and get her
Rebecca , you're dreamin' out loud
Rebecca , you got your head in the clouds , alright
You're savin' yourself for someone , Rebecca
Rebecca , you're runnin' away
Rebecca , you can't face the day , alright
Cos you only live for the night
Rebecca , you're always runnin' around

(break)

Ooh , talk about Rebecca's eyes
Ev'rything you fantasize
Well, she drag you down to earth
She's the devil in disguise
Break you down to size

Rebecca , you're dreamin' out loud
Rebecca , you got your head in the clouds , alright
Savin' yourself for someone
Rebecca , ooh , you're runnin' away
Rebecca , you can't face the day , alright
You only live for the night , Rebecca
Rebecca , you're dreamin' out loud
Rebecca , you got your head in the clouds , alright
Savin' yourself for someone , Rebecca (fade)
