Look out my window.I can see tomorrow.
Just a whole way of sorrow when the change is made.
And I've been a-cryin' .
Oh, Lord, I've been a cryin'.
But I'll go on a-cryin' when the change is made.
And I been a good man. Oh Lord,Lord, I've been a good
man.
But what's good's a good man after the change is
made? Yeah!
And I'm not forgettin' all the love,the love, the love I
been a-gettin'.
I've got to go on a-livin' after the change is made.
And I been a-cryin'. Oh Lord, Lord, I been a-cryin'
But I got to go on a-cryin' after the change is made.
And I'm not forgettin' all the love, love I been a-gettin'.
'Cause I got to go on living after the change is made.
(music)
And I'm not forgettin' all the love , all the love I been a-
gettin'
And I got to go on livin' after the change is made.
And I'm not forgettin' all the love I been gettin'
But I got to go on living after the change is made.
And I'm not forgettin'(fade out)
