Verse 1

When you're walkin' alone
in the heat of the night
And you see it's a sign
of the times
When the walls that divide
you are tumblin' down
And were stronger in
body and mind

Release 1

And I know at a glance
It's a a prison of love
And I don't stand a chance
And you know that it's wrong
When you say it's okay
So I know where I stand

Chorus

We are atomic ... we are fire
Lightnin' strikin' me by the hour
We are atomic
Love struggle to be in a world
without end

Verse 2

Do you still cry out loud
at the sound of her name
Or is she just a face in the crowd
Well, I suffered enough in
your tower of shame
But somehow you just made me believe

Release 2

And I tremble and shake
It's so hard to escape
And it's stranglin' me
And the voices I hear are
like ghosts in the night
And they're callin' to me

Chorus

We are atomic... we are fire
Lightnin' strikin' me by the hour
We are atomic
Love struggle to be in a
world without end

We are atomic
Love struggle to be in a
world without end

Break

We are atomic
Love struggle to be in a
world without end (fade)
