There was a time when we were down and out
There was a place when we were starting over
We let the bough break
We let the heartache in
Who's sorry now
Who's sorry now

There was a world when we were standing still
And for a moment we were separated
And then you found her
You let the stranger in
Who's sorry now
Who's sorry now

What , what kind of fool
Tears it apart
Leaving me pain and sorrow
Losing you now
How can I win
Where will I be tomorrow

There was a time when we were down and out
There was a place when we were starting over
We let the bough break
We let the heartache in
Who's sorry now
Who's sorry now

What , what kind of fool
Tears it apart
Leaving me pain and sorrow
Losing you now
How can I win
Where will I be tomorrow

Was there a moment when I cut you down
Played around
What have I done
I only apologize
For being as they say , the last to know
It has to show

When someone is in your eyes

What, what kind of fool
Tears it apart
Leaving me pain and sorrow
Losing you now
Wondering why
Where will I be tomorrow

What, what kind of fool
Tears it apart
Leaving me pain and sorrow
Losing you now
How can I win
Where will I be tomorrow (fade)
