In the Spring , a young man's fancy likely turns  
to what he's been thinkin' of  
He's thinkin' of love  
In the Spring , a young man's heart's begins to sing  
Thinkin' of wedding rings  
He's thinkin' of love  
The chilly wintery winds, they blow,  
In his heart ,he's warm  
And true romance begins to grow  
A love is born  
In the Spring , a young man's fancy  
likely turns to what he's been thinkin' of  
He's thinkin' of love  
The chilly wintery winds they blow  
In his heart , he's warm  
And true romance begins to grow  
A love is born  
In the Spring , a young man's fancy  
likely turns to what's he's been thinkin' of  
He's thinkin' of love  
He's thinkin' of love  
He's thinkin' of love  
Ooh .....
