Chewy, Chewy, Chewy.....

Always got a mouthful of such sweet things to say

Chewy's full of sugar and I love her that way

Everytime you love me it's a real sugar treat

Love me little chewy cause you do it so sweet

Baby a living box of candy wrapped up so very fine

Do it to me chewy chew me out of my mind.

Ooh I love to kiss her

Love to hold her

Love to miss her

Love to scold her

Love to love her like I do.

Oh little Chewy

Don't know what you're doing to me

But you're doing to me what I want you to
