See the neon sign  
The kids stand in line  
And money clutched in hand  
They wanna hear that band  
Base is thumpin'  
Everybody's jumpin'  
The drummer keeps beatin'  
Everybody's meet down at Lulu's  
Down at Lulu's

It's got you red and blue  
The music gets to you  
And swept right off your feet  
You can't escape that beat  
Cause the bass is thumpin'  
Everybody's jumpin'  
The drummer keeps beatin'  
Everybody's meetin' down at Lulu's  
Down at Lulu's

The chicks passin' by  
Are gonna catch your eye  
You may came alone but  
That's not how you'll go home  
Cause the bass is thumpin'  
Everybody's jumpin'  
The drummer keeps beatin'  
Everybody's meetin'  
Down at Lulu's  
Down at Lulu's  
Down at Lulu's
