Betray your world  
Show your anger  
Throw your pride  
Stay the master

Lance your skin  
Fight your own pain  
Choose your tribe  
Kill the other ones

Weep for your friends  
I bury your friends  
Scream at yourself  
Don't need to bless them  
You bury your soul  
Don't betray me

Buy the souls  
Win confidence  
Feel your way  
Invade the lands

Say your rules  
Create your thoughts  
Foresee your end  
Ignore the fear

Weep for your friends  
I bury your friends  
Scream at yourself  
Don't need to bless them  
You bury your soul  
Don't betray me

Must show your anger  
Stay the master  
Must fight your own pain  
Ignore the fear  
And if you weaken  
I'll grind you up  
I'll tear you to pieces

For dogs your remains
