The time is here  
Won't be ruled by this fear  
A chance has come  
The deed must be done  
My spirit cries  
As my blood start to rise  
It's shown the way  
Not a word I can say  
My back's to the wall  
This is it  
I stand or fall  
I'm loosing ground  
But I'm still around

I Still can see  
As blood is red  
I'll always find  
A means to an end  
Right or wrong  
It's the same old song  
Now I know  
I've walked that line  
Never seeing the sign  
A man must know  
What lies in his soul  
I've got to see  
My lost identity  
Can it be true  
Is there nothing I can do  
This is it  
I stand or fall  
I'm loosing ground  
But I'm still around

I Still can see  
As blood is red  
I'll always find  
A means to an end  
Right or wrong  
It's the same old song  
Now I know

I Still can see  
As blood is red  
I'll always find  
A means to an end  
Right or wrong  
It's the same old song  
Now I know
