Blackberry Way  
Absolutely pouring down with rain  
It's a terrible day  
Up with a lark  
Silly girl I don't know what to say  
She was running away  
So now I'm standing on the corner  
Lost, in the things that I said  
What am I supposed to do now-w  
(Chorus)  
Goodbye Blackberry Way  
I can't see you  
I don't need you  
Goodbye Blackberry Way  
Sure to want me back another day  
Gone to the park  
Overgrowing but the trees are bare  
There's a memory there  
Boats on a lake  
Unattended now, they're all to drown  
I'm incredibly down  
Just like myself they are neglected  
Turn, with my eyes to the wall  
What am I supposed to do now-w  
(Chorus)  
Goodbye Blackberry Way  
I can't see you  
I don't need you  
Goodbye Blackberry Way  
Sure to want me back another day  
Ooo-black, Ooo-black, ooo-ooo  
Ahhh-hhh-hhh  
Ooo-la Ooo-la ooo-ooo  
Ahhh-hhh-hhh  
Run for the train  
Look behind you for she may be there  
Say I think you're the girl  
Blackberry Way  
See the battlefields of care or sins  
Cast to the winds  
So full of emptiness without her

Lost in the words that I said  
What am I supposed to do now-w  
(Chorus repeat to fade)  
Goodbye Blackberry Way  
I can't see you  
I don't need you  
Goodbye Blackberry Way  
Sure to want me back another day
