It was one morning when I woke up, and then I found  
out that they'd  
Signed some papers, and then I was gonna be kept in a  
bed owing to my  
State of mind.  
And then I found out that the authorities had said, um,  
that I'd gotta  
Have special food fed to me for my thoughts, um, and I  
think it's  
Because, because I was going off my...)  
Head  
Sunbeam from flowered skies  
Twenty thousand butterflies  
Glorify my...  
Turn from hot to very cool  
Though it seems incredible  
I could ride a bike around the room  
\*Cherry Blossom Clinic  
Is there any truth in what they say  
Cherry Blossom Clinic  
Lock me in and throw the key away  
In this sad position where I lie  
From the corner of my eye  
Callous friends just pass me by  
Doctor pays a visit  
Everyday I keep asking for my Dad  
They must think I'm going mad  
Lift the blankets off my face  
Quick before I suffocate  
Trying hard to meditate  
Tell the people, "What a scene"  
Write a letter to the Queen  
Asking her if she can come to tea  
(\*repeat)  
Up above the sun is high  
Like a tea tray in the sky  
Helicopter lands upon my bed  
Phantom horses quickly fade  
Turning into lemonade  
Probably feel better when I'm dead  
(\*repeat)
