Mama, you gave life to me turned a baby
into a lady. And Mama all you had to offer was a
promise of life time of love. Now I know there is no
other love like a mother's love for her child
and I know love so complete someday must leave,
must say goodbye
oohh

(chours)
goodbye the saddest world I'll ever hear
goodbye is the last time I will hold you near
some day you will say that word and I will cry it
will break my heart to hear you say goodbye

Mama you gave love to me turned a young one into a
woman. And mama all I ever needed was a guarantee
of you loving me. Cause I know there is no other love
like a mother's love for her child. And it hurts that
something
so strong someday will be gone must say goodbye
uuhhh yeah

(chours)
but the love you gave will always be there
You will always be there every time I fall
you gave to me the greatest love of all
you took my weakness and made it my stong
you will always love me to the end of all
and when you need me i'll be there for you always
I'll be there all life through I will be there this
I promise you. I'll be your light throught the darkest
night
i'll be the wings that guide your broken flight.
I will be your shelter through the raining storm
and i will love you till forever comes
(chours)
till we meet again until then goodbye
