Underneath my skin isn't just anger just frustration
Underneath my skin is it decisions all these feelings
That always hurt my mind (that always hurt my mind)
That always kill my pride inside
That always waste my time
Again , again

(Chorus)
Again I breathe
Again I shake
Again I fall
Again I break
Wasted , hated , again , again

Underneath my skin isn't just anger just frustration
Underneath my skin is it just nothing all these feelings
All I find just space,
No I don't feel what I felt before
I'm back inside this cage
Again , again

(Chorus)
Again I breathe
Again I shake
Again I fall
Again I break
Wasted , hated , again , again
Again I burn
I take it all
But inside my head I hit the wall because I
I don't know (I don't know)
I let go
Again , again

(instrumental)

Underneath my skin isn't just anger just frustration
Underneath my skin is it , just nothing all these feelings
Cause all I find is space , again , again

Again I breathe

Again I shake
Again I fall
Again I break
Wasted, hated , again , again
Again I burn
I take it all
But inside my head I hit the wall because i
I don't know (don't know)
I let go , again, again
Again , again , again , again,
