[Mr. Sancho]

Please tell me why? Oh, lord  
Oh, lord, please tell me why? We can't unite?  
All become as one so we don't have to fight

[Verse 1 - Mr. Sancho]

Tell me why do I have to go through this?  
Tell me why do I have to smoke on this?  
To get high and get through all this shit?  
Frustration in my mind that I can't deal with I feel it  
Gettin' by trying to succeed for my people  
Kill the hatin' then blast me when I see you  
Your the same color and we the same race  
Don't have the same mother, but we came from the  
same place  
Mexicano for life that's what I always style  
We put it down for chicanos, we Low Profile  
Does it hurt to see your own people succeed?  
I think it just a case of jealousy turned into greed  
You wanna be the one to make a difference in your  
race  
Put your talent for good use don't hate cause it's a  
waste  
And I'm givin' all the props to the brown  
All the ones who be down, ones who bumpin' our sound

[Chorus 2x - Mr. Sancho]

Oh, lord, please tell me why? We can't unite?  
All become as one so we don't have to fight

[Verse 2 - Lil Bandit]

All the pain, the agony, my dad runnin' out on me  
Tellin' lies to me, wasn't ever there for me  
Times runnin' out, there is no time to waste  
Lord, please tell me why I got a gun up on my waist?  
It's the life I lead in order to survive  
I'll do anything to give my child a good life  
No such thing as no one cryin', as there is of no one  
dyin'  
Don't run away from your problems, spend you life  
flyin' high

Off of drugs, suspended in time  
Your problems will be right there waitin', homey don't  
waste time  
And never ever say that you can't, the lord makes  
anything possible  
Turn a negitive a positive and you'll be unstoppable  
Have the faith in yourself and be the leader of your  
destiny  
Don't follow the rest or you'll end up in the cemetary  
Lord forgive me for my sins and fogive me for my  
thoughts  
Help me through these times of pain, I'll pay whatever  
it cost

[Chorus]
