Boy.... (doo doo doo....)  
Boy.... (mmm mmm mmm....)

Started as boys and girls, one day making news  
We spoke and then we knew something very new  
Sodas to tropical juice, I knew it was true  
Tonight the perfect moon will shine on

Summer love ola  
I can feel my heart beating  
Summer love ola  
The temperature is uprising  
Summer love olala  
Tell me what we are feeling  
Summer love ola  
I know I'm in love with you boy

(When I'm in the air, jump  
No need to fear, jump  
Jump into this love  
No need to stop now  
Feel the carnival  
Join the festival  
Stomp and stomp your feet  
To the rhythm now)

When I'm in the air, jump  
No need to fear, jump  
Jump into this love  
No need to stop now  
Feel the carnival  
Join the festival  
Stomp and stomp your feet  
To the rhythm now

Summer love ola  
Can you feel my heart beating  
Summer love ola  
A rhythm is high repeating  
Summer love olala  
Tell me your love is reaching

Summer love ola  
I know I'm in love with you boy
