Verse 1

I stopped by to see you
Just the other day
And I wanna say
That I finally realized
The words I LOVE YOU don't mean a thing

It's so hard for me to see
Because you meant everything to me
But I guess I gotta move on
Even though it hurts I've got to be strong

Hook

If you don't wanna love me don't love me
If you don't wanna touch me don't touch me
Cause I don't want you
To do anything you don't want to do..oo

And if you don't wanna miss me , don't miss me
Don't wanna kiss me , don't kiss me
Cause I don't want you to do anything the you don't
wanna do..oo no

Who would have known that on
All those nights you were working late
All alone I'd lay awake in our bed
While someone else was puttin'food on your plate

I refuse to believe
That you never loved me
I've gotta move on ,
our love is gone
And this house is not a home (yaya)

Hook -

Bridge -

You can be lonely
I don't really care
But you didn't have to make me think
that you'll always be right there

So if you don't

Hook -

Wanna love me , don't love me

If you don't wanna miss me , don't miss me

Cause I don't want you to do anything that you don't
wanna do..oo no

And if you don't wanna miss me don't miss me

Don't wanna kiss me , don't kiss me

Cause I don't want you to do anything that you don't
wanna do..oo no

Repeat Hook 3x to fade out song
