Somebody said everyday was gon' be sunny skies
Only Marvin Gaye and lingerie, I guess somebody lied
We started discussing it to fighting then don't touch
me please

To let's stop the madness, just come lay with me
And Truth be told, I'm waving my flag before it goes
bad

Guess we made it this far on for better or for worse
I want to feel it even if it hurts
If I gotta cry to get to the other side
Let's go cause we gon' survive, oh

We stay on the frontlines, yeah but we're still here after
the bomb drops
We go so hard, we lose control
The fire starts, then we explode
When the smoke clears, we dry our tears
Only in love and war

Sometimes you're my general
You quarterback all these plays
Sometimes you're my enemy
And I'm throwing grenades
We'll just be chillin' and laughing
And laying on your chest
Don't know what happen, cause things just went left
But here we go back down that road
That's just the way that it goes

Guess we made it this far on for better or worse
I want to feel it even if it hurts
If I gotta cry to get to the other side
As long as you're there I'll survive, oh

We stay on the frontlines, yeah but we're still here after
the bomb drops
We go so hard, we lose control
The fire starts, then we explode
When the smoke clears, we dry our tears
Only in love and war

As long as we make up after every fight, when it's over
You know I'm coming home
Right back where I belong
I taking off this armor, ohhh

And we stay on the frontlines, yeah but we're still here
after the bomb drops
We go so hard, we lose control
The fire starts, then we explode baby
When the smoke clears, we dry our tears
Only in love and war (3x)
