Oh yeah, oh yeah  
Oh yeah-yeah oh, ooh

Don't wanna sound like I'm a golddigger  
But I like the finer things in life, alright  
Can't be spending my time with nobody who ain't doing  
nothing  
So now y'all wanna own my own leather  
So I gotta keep my focus tight, alright  
But it might sound kind of funny but

1 - Money can't buy you love  
But it sho-nuff pay's the bills around here, oh yeah  
But you do without it you'll need money too  
Money can't buy you love  
But it sho-nuff pay's the bills up in here, oh yeah

Now baby let me make it real simple  
I can do bad all by myself ooh babe  
I aint never been one  
Who needs somebody else to buy me something  
But could you try to be a gift giver  
Cause I don't want nobody else, oh no, said oh no baby  
It might sound kinda funny but

Repeat 1  
Baby, I know you love  
But you know that I'm a shopper  
See why can't you show you love me  
(Show me dem dollers, dollers, dollers)  
Just like I show you I love you  
So if you wanna holla)  
Don't be afraid to give...

I said I'm all about the money baby, the money baby  
I'm all about the rent, oh yea-yeah  
I need my hair done, my nails done  
A new Prada bag, a brand new Jag  
See that don't make me a golddigger  
I just like the finer things you can bring  
It might sound funny but...

Repeat 1 (2x)

Money can't buy you love  
But it sho-nuff pay's the bills around here, oh yeah  
But you do without it you'll need money too  
So don't be afraid to give, oh
