Something about you makes me lose control  
Something about you makes me crazy baby  
Something about you makes me lose my mind  
Try to forget, but I'm in rewind (but I'm in rewind)

I look at you across this crowded room  
Everybody's talking to you  
How am I supposed to get to you  
When you don't even know that I exist  
Every minute feels like I was  
I'm frozen in time and powerless

I want to touch you baby  
Feel you beside me baby  
I want your love to light my dark and lonely life

**CHORUS:**

Something about you makes me lose control  
Something about you makes me crazy baby  
I can't eat, I can't sleep  
I can't live without you here with me  
Something about you makes me lose my mind  
Try to forget, but I'm in rewind  
I can't laugh, I can't cry  
Something about you makes me want to die

I feel just like I'm lost inside a dream  
Everything looks so distorted  
I'm walking around like I'm out of it  
It's all because you've turned around around my world  
I promise you this my baby  
Someday your kisses are gonna be mine, girl

I want to touch you baby  
Feel you beside me baby  
I want your love to light my dark and lonely life

Something about you makes me lose control  
(something about you)  
Something about you makes me crazy baby (crazy  
baby)

I can't eat, I can't sleep (oh, no)  
I can't live without you here with me  
Something about you makes me lose my mind (make  
me lose my mind)  
Try to forget, but I'm in rewind (but I'm in rewind)  
I can't laugh (oh), I can't cry (oh, no)  
Something about you makes me want to die

Everytime I look into your eyes  
There's something about you  
Every breath I take I realize  
There's something about you

I want to touch you baby  
Feel you beside me baby  
I want your love to light my dark and lonely life

Something about you makes me lose control  
Something about you makes me crazy baby  
Something about you makes me lose my mind  
Try to forget, but I'm in rewind (but I'm in rewind)

Something about you makes me lose control  
Something about you makes me crazy baby (crazy  
baby)  
I can't eat, I can't sleep  
I can't live without you here with me  
Something about you makes me lose my mind  
(something about)  
Try to forget, but I'm in rewind (in rewind)  
I can't laugh, I can't cry  
Something about you makes me want to die (die)

Something about you makes me lose control  
(something about you, baby)  
Something about you makes me crazy baby (oh, no, no,  
no.. lose control)  
I can't eat, I can't sleep (whoo!)  
I can't live without you here with me  
Something about you makes me lose my mind (lose my  
mind)  
Try to forget, but I'm in rewind (I'm in rewind)  
I can't laugh, I can't cry (can't cry)  
Something about you makes me want to die

Something about you, baby... (lose control)

(something about makes crazy, baby)  
Something about you make me lose control...

I can't live without you here with me...

Something about you, baby...
