Cause we on! (we on!), We on! (We on!)

[Gemstones (Lupe Fiasco)]
We the '85 Bears, ('92 Bulls)
'05 Sox/socks (wit a whole lotta pull)

[Lupe Fiasco]
All rolled up and there's no lettin up
If you're smart, you'll wanna be the '07 us

[GS]
Uh, never met a nigga breathin this cold
Bought Chevy's everywhere, 23's 24's
Nuttin' but the best, TV screens on the do'
Gotta get it how you live it when you livin in the go

[LF]
Well I'm all like no chrome, low tints fo' phones
Just in case, E.T. wanna go home
Never chase, cause of me there is no Jones
Levitate from the sea floor to the ozone

[GS] Five-star hotels all week
[LF] Non-stops to Paris ain't cheap
[GS] Sick lake views, big penthouse suites
[LF] Champs-Élysées is magnifique

[GS]
Gucci sweats when I'm out in the streets
Linen shorts when I'm chillin on the beach

[LF]

Idium when I'm out on the mountains
My ?harishi? when I'm out on the town-end

[GS]

Spring water, we don't mess with the fountains
Land Rovers back to back when we campin

[LF]

Felipe Lemonade, police did a raid
We didn't fade, back to the bouncin

[GS]

Fresh Benz smoke one-eight peel
Speedin down the freeway, we chill-ay chill

[LF]

Did the food then and it's sill-ay still
Got it off the ground like a wheelied wheel

[GS]

Uh, you from the Westside?

[LF]

Born and raised, you from the Southside right?

[GS]

It's where I spent my days
Where I lay, where I stay
And you ain't gotta wonder why I get my ways

[Chorus]

[Lupe Fiasco (Gemstones)]

Free Chill, (we will)
God willing, and I miss him
Was ten at the hand, got the spirit all in him
I cease the billin with the lyrics I'm pennin like

[Gemstones]

I ain't really trippin cause I know that God's with him
'Til we met again, nigga, free my niggaz
Sick with the pen, I'm a beast, my nigga
Let it, new Benz but the 23's don't fit 'em

[LF]

Uh, and you know you can't red light the green light
Try to break us up, lace it up, keep the theme tight

[GS]

This lifestyle may get off we don't sleep nights

I'm on the 747s, finna take flight

[LF (GS)]

Yeah, sport car faster than your car
(It's Gemini), and y'all know me
Better together, y'all know the letters
Forever N Forever - FNF U-P

[Chorus]
