[For what we are about to do, may the Lord make us truly spiteful...]

On a train, going down
Don't care if you go up in smoke
You think you're better, prove it now
Trading currency for your ghost

[Power of berserk compels you
Time for fraud and ruin]
[If God is money, I am the Devi, I am the Devill
If God is money, I am counterfeit, You've been had]

Ever get the feeling you've been ripped-off... how about right now?

Bite sizes oblivion, gorge yourself
Self imposed slavery, toss away the key, burn that tie
Annihilation, spoon fed, prescribed, amplified

[Power of berserk compels you
Time for fraud and ruin]
[If God is money, I am the Devi, I am the Devill
If God is money, I am counterfeit, You've been had]

[Scapegoat, Strung up, Bankrupt, Forgotten]
They say you burn plastic baby
But where do you cut the line
It's so hard to stand up baby
When you ain't got a spine

[If God is money, I am the Devi, I am the Devill
If God is money, I am counterfeit, You've been had]

[The Great wrought, You've been swindled
you bought it, Lift up your scars?!]
