VERSE 1

ripe for the slaughter hiding in the naive
meat racked on crucifix for the slaves
drunk on the blood from a random Christ
house of the skulls and the church of ice

BUILD UP 1

pious, vermin
incarceration
spineless, minions
fresh for the lions

CHORUS

Head Kult
pigs revolt
can't stop them groveling, let them rot

VERSE 2

mind of a martyr body of a child
insane hallucinate suicide
delusional salvation a pathetic farce
a higher seat in heaven closer to god's arse

BUILD UP 2

mindless, hunger
abide in rancor
the sheep, confide
heathen pesticide

CHORUS

Head Kult
pigs revolt
can't stop them groveling, let them rot

VERSE 3

nail one more angel head to your door
pin another demon's arm on to the wall
death and knowledge verses bliss and bland
which part of fuck off don't you understand?

BUILD UP 3

pious, vermin
incarceration
spineless, minions
fresh for the lions

mindless, hunger
abide in rancor
the sheep, confide
heathen pesticide

CHORUS

Head Kult
pigs revolt
can't stop them groveling, let them rot
