VERSE 1

teeth, nailing
their own tongues
anger raising up in torn lungs
rack, shackled
in torture
severed veins reach up in rapture

BUILD UP 1

crawl into
nightfall
fetuses in
plastic walls
black tempest
the snake
madly scraping
back the fake

CHORUS

Rip skin
bind fist
infect the mother
flick the switch
grind skull
god's shit
infect the mother
flick the switch

VERSE 2

slash, pretty
when she dreams
stalking breath as leather screaming
hail, mary
horror beads
eyes that cut through shadows seething

BUILD UP 2

choke frantic
constrain
manically scratch off the stain
virgin daughters

in line
marching off to matricide

CHORUS

Rip skin
bind fist
infect the mother
flick the switch
grind skull
god's shit
infect the mother
flick the switch
