Black office, Dead paper.
Sacrificial skyscraper.
Gestate, incubate, dig your own grave.
Grinding, groveling, you won't be saved.

No surname,
Serial number.
Bred to succeed, and plunder.
Cult of the worker bee deceived.
Brainwash Karoshi breed.

Eat it, Maggot,
Eat it, Maggot,
Eat it, Maggot,
Eat it, Maggot.

Head devil, slave temple.
Stuck inside the hate vessel
Mutate, deviate, churning bitter,
Nitrate, flagellate, hell igniter.
Pact writer, rank pity,
Reaping execution money.
Feasting at the boardroom alter.
Carving up the slaughter.

[Want it, buy it, use it, fuck it.
Want it, buy it, use it, fuck it.
Want it, buy it, use it, fuck it.
Want it, buy it, use it, fuck it.]

Eat it, Maggot,
Eat it, Maggot,
Eat it, Maggot,
Eat it, Maggot.
