Finally found someone to love, one of my kind  
When we made love, I had forever in mind  
Ever in mind...

She had said that she may take my name someday  
So I let her into all of my hopeful heart to stay  
Heart to stay, my heart to stay

Where she touched all of me  
She understood the good and bad  
Every secret that I had  
I gave her all of me  
But soon after my soul cleaved  
She decided she must leave  
All of me

Finally found someone to love for all my life  
But now I'm roaming restlessly for my unwed wife  
Unwed wife...

Lord I hope that she may take me back someday  
She is in my broken heart and just won't go away  
Go away, won't go away

Only she touched all of me  
She understood my inner hell  
Said she'd help me to get well  
I gave her all of me  
Many moons have seen me grieve  
Asking why she had to leave  
All of me

I gave her all of me

Now she's found someone to love, one of her kind  
And I'm all out of hope, going out of my mind  
She's out of my life

But still in all of me  
She understood the good and bad  
Every secret that I had

I gave her all of me  
Many moons have seen me grieve  
Asking why she had to leave  
All of me

Why'd I give her all of me?

Finally found someone to love, one of my kind  
When we made love, I had forever in mind
